This subject index has been prepared by the ERIC Clearinghouse on Teacher Education, using the same ERIC descriptors (index terms) which have been used to index the articles in the monthly publication, *Current Index to Journals in Education* (CIJE). By using these descriptors, it is possible to locate related articles from other journals in CIJE. The indexing was performed by ERIC staff members John Aquino and Trisha Dew. Author and title indexes following the subject index were prepared by Hedy Arlette St. Denis, AACTE.
